

In Garden Tutoring Form

To The Judge: It is your duty to tutor and evaluate the apprentice. This evaluation must be based on a **Two-Hour Session** in a garden. The tutor should be sure that instruction in judging is given and that the session was not just a garden visit to look at new things. Test the ability of the apprentice to judge!

Mail the report immediately to the Chairperson of Judges, Region 4. It is a confidential report to the regional Chairperson of Judges and the RVP.
